

To install the **B-ConX** app via an APK perform the following:

1. Enter the following URL into your phone's browser:

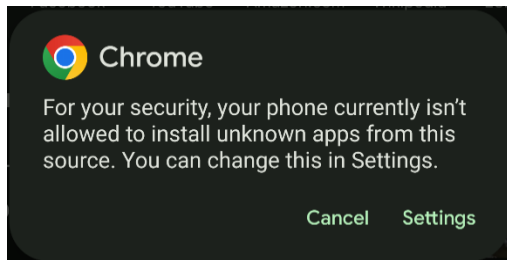

[https://secure.smartmovetaxis.com/APK/BConx\\_11051.apk](https://secure.smartmovetaxis.com/APK/BConx_11051.apk)

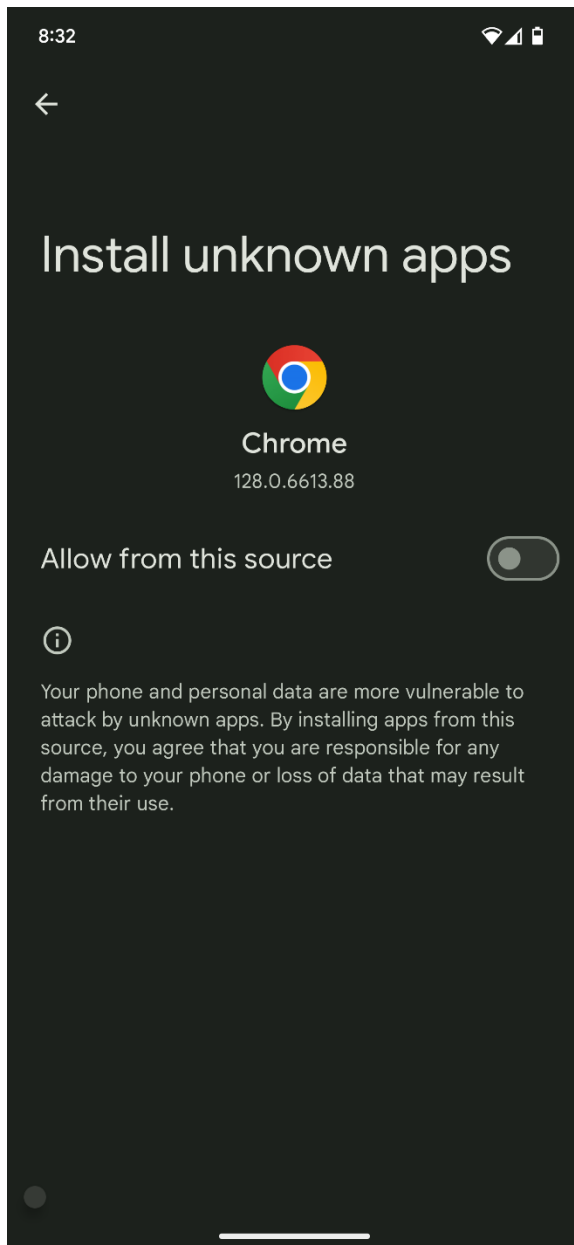

2. Select **Open** to open the download file.

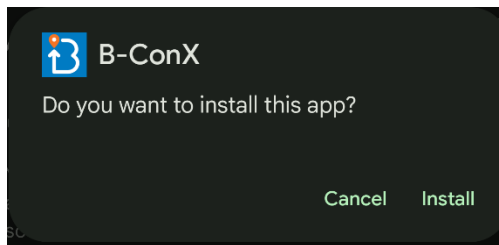

3. Select **Settings** to change the permissions for the **Chrome** app.

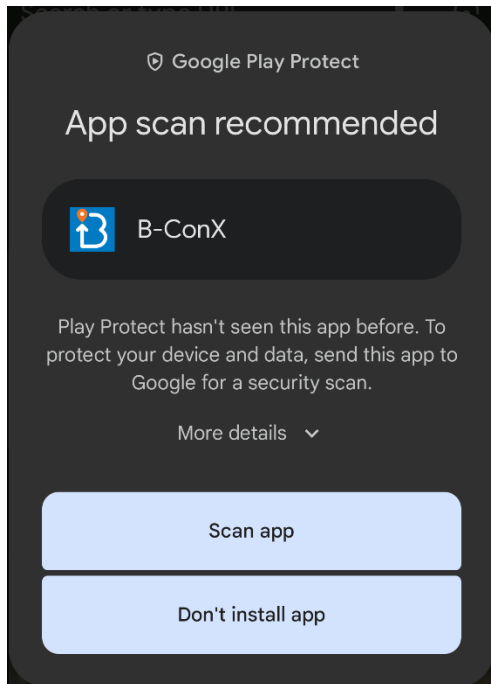

4. Select the **Allow** from this source slider.

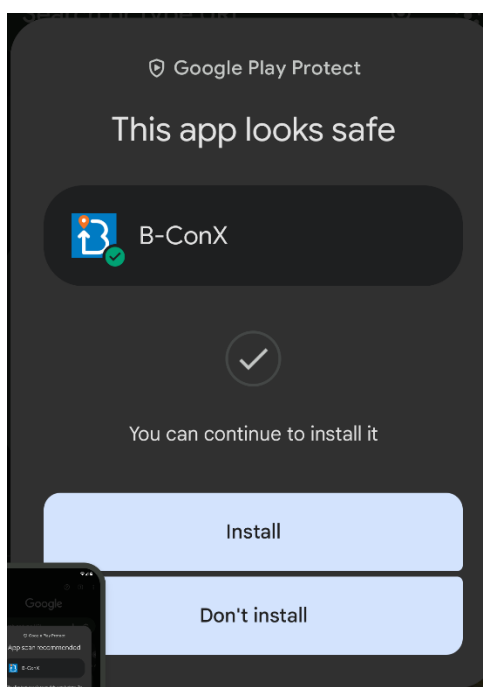

5. Select **Install** to install the **B-ConX** app.

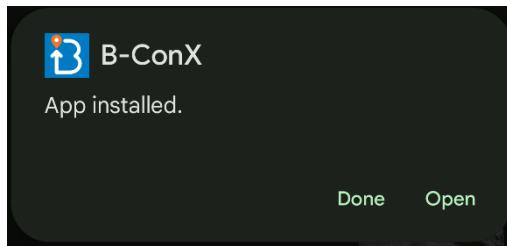

6. On the **Google Play Protect** screen you have 2 options:
  - a. Select **Scan app**.
  - b. Select **More details** → **Install without scanning**.

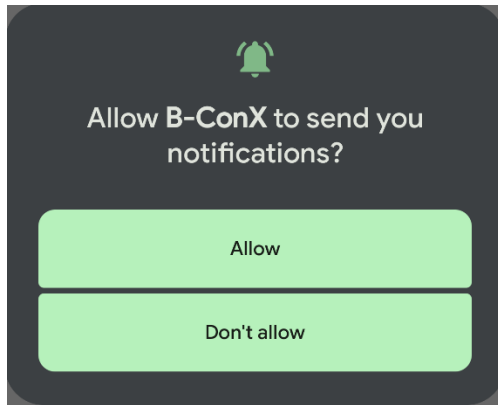

7. If **Scan app** was selected, then select **Install**.

8. Select **Open** to start the **B-ConX** app.

9. Select **Allow** to receive **B-ConX** notifications.

10. Select **Create account** or **I already have an account** on the **Sign up** screen.
